OWS brings together more than 800 decision-makers and industry professionals. Their mission: learn, network, make deals and be part of an event that will shape the future of business.

OWS is a true showcase of thought leadership – from more than 40 countries, representing the industry’s best and brightest buyers, providers, advisors and academics. The Summit connects you with prospects nearly impossible to find, much less reach, on your own. Take advantage of the opportunity to be part of this event and sponsor, exhibit or become a partner!

For information on sponsorship opportunities, please email sales@iaop.org.

Outsourcing has fast become a strategic tool and preferred business model that has a powerful impact on a company's growth and financial stability. Kirkland lawyers have experience in IT outsourcing matters that predates the use of the term "outsourcing" (i.e., facilities management), handling some of the largest, most comprehensive outsourcing transactions in history. Kirkland's experience covers not only IT outsourcing but also business process outsourcing. Kirkland lawyers have represented both service providers and customers in manufacturing, service, financial and other businesses that seek to outsource critical functions.
