Summer Special! Sign up as a Professional Member now to receive a wide variety of benefits – and get the Summer (or Winter as the case may be!) free! Your membership will be extended until September 1, 2010. Want to know more? Contact [Beryl Sorensen](#) today.

Membership in IAOP provides access to an extensive array of services, and just as importantly distinguishes organizations and professionals as leaders in the field of outsourcing. IAOP membership demonstrates a commitment to innovative thinking, continuous performance improvement, and to the sustaining development of outsourcing as both an industry and as a profession.

Customer Corporate Membership

Organizations that are currently outsourcing or are considering one or more outsourcing initiatives should become [Customer Corporate Members](#) of IAOP. This membership provides organization-wide access to the association's research, training, certification, and networking programs - all designed to help companies achieve better business results through outsourcing.

Provider/Advisor Corporate Membership

Outsourcing service providers and advisory firms should join IAOP as [Provider/Advisor Corporate Members](#). This membership provides the same organization-wide access to IAOP's research, training, certification, and networking programs as Customer Corporate Membership, but also includes member-only sponsorship opportunities that serve the marketing and business development needs of these companies.

Professional Membership

[Professional Membership](#) is available to individuals either as part of their company's corporate membership or on an individual basis. This membership serves the needs of practitioners working in the field of outsourcing whether as customers, providers, or advisors. In addition, it provides these professionals with direct, personal access to association services.

In order to ensure a free-flowing exchange of information among all of its members, IAOP maintains a [strict non-solicitation policy](#).

Student Membership

[Student Membership](#) is available to all full and part-time students actively enrolled in a college or university. Student Membership provides direct access to IAOP services and includes full use of the association's online knowledge center, [Firmbuilder.com®](#).

Membership in IAOP is open to organizations and individuals globally and includes a wide-array of member services as well as participation in one or more chapters organized by geography, industry or special interest.
